40th Anniversary New Jersey Nonprofit Conference
December 7, 2022 – Somerset, NJ

New Jersey’s premier annual gathering of nonprofit leaders and allies

Sponsorship Opportunities

New Jersey’s nonprofits are a vital sector that improves life for everyone. Nonprofits are also an integral part of the economic well-being of our state and nation. New Jersey nonprofits:

- **Employ 330,000 people** – nearly 10% of the state’s private workforce – more than construction, finance, insurance, and many other large commercial industries
- **Spend over $50 billion annually**, much of it within the Garden State
- Marshal the energies and talents of **1.8 million volunteers** every year

In the midst of the pandemic, prolonged economic and social distress, and a heightened focus on addressing long-term inequities, nonprofit organizations have never been more important to our communities. **Join us and more than 500 nonprofit leaders, decisionmakers, staff, volunteers, and allies**, as we celebrate nonprofits, explore lessons learned, and look together to the future to ensure a thriving New Jersey for all.

**The Center’s annual statewide conference will be BACK IN PERSON and will be priced more affordably than ever.** Widely praised for its breadth and content, every year our conference features internationally recognized speakers as well as experts in a variety of fields pertinent to nonprofit operations. This year’s event will be promoted broadly through direct electronic outreach to over 4,800 organizations (plus viral redistribution to thousands more) as well as via media outlets, the Center’s website, social media, and other applicable venues.

**Conference sponsorship offers wide exposure to nonprofit, business and philanthropic leaders, policy makers, service providers, and the public and keeps attendance accessible to all.** Equally important, our conference provides vital support to strengthen New Jersey’s nonprofit community throughout the year.

The **New Jersey Center for Nonprofits** is the statewide network, champion and go-to resource for and about our state’s nonprofits. For 40 years, the Center has provided advocacy, knowledge, insights and tools so nonprofits can focus on the communities and causes they serve. The Center gives nonprofits the information and tools they need to pursue their missions more effectively, strengthening nonprofits as individual organizations and as a community for the greater good.

**Please see the attached sponsorship opportunities and learn how you can be at the forefront of the Center’s conference this year.**

The New Jersey Center for Nonprofits welcomes and appreciates donations and sponsorships consistent with our mission. For more information, contact Susan Merrill O’Connor (susan@njnonprofits.org) or Linda Czipo (lczipo@njnonprofits.org)

**40th Anniversary New Jersey Nonprofit Conference**

**December 7, 2022**

The Palace at Somerset Park | Somerset, NJ

**IMPORTANT COVID-19 INFORMATION:** As of this writing, we are planning for an all-day, in person, indoor conference on December 7, 2022. However, the COVID-19 virus and variants are constantly changing, and the safety of our attendees, constituents, staff and volunteers is of paramount importance. The New Jersey Center for Nonprofits will continue to monitor and take into account the latest CDC guidance and public health directives in determining the format of the event and all participation requirements for attendees. The Center reserves the right to require masks/face coverings, proof of full COVID-19 vaccination, negative COVID test, social distancing, or other reasonable public health precautions as a condition for attendance at this event.

While it is our intent and strong desire to convene in person, the Center reserves the right to postpone the in-person conference and/or convert it to a virtual format if, in its judgment based on state and local health requirements, public health updates, and other available information, holding the conference in person would present an undue health or safety risk to attendees, our staff, or volunteers. If the conference is converted to a virtual format, we will work with all sponsors to convert sponsorship benefits to their closest equivalent for a virtual event.

Please contact us if you have any questions or for more information.
